WHAT IS AG SOURCE MAGAZINE...

Ag Source Magazine is a monthly publication and online magazine targeting all aspects and markets of California agriculture. Categorized by the various types of new and used equipment and ag services that California growers, farmers, ranchers, dairymen and ag businesses need in their daily operations. Ag Source has been bringing buyers, sellers and businesses together since 1996, based in Tulare California and is the Official Equipment Publication of World Ag Expo.

WHY AG SOURCE MAGAZINE...

California is the number one ag producing region in the world, producing over 400 different crops and commodities. Ag Source Magazine is the only publication targeting all these diverse ag markets with one magazine. Knowledgeable, experienced and friendly service from start to finish - giving you the perfect way to reach your customers.

WHERE IS AG SOURCE MAGAZINE...
